

Edpuzzle (website)

Create Questions for Videos (like you Youtube). Create class or use a Google Class, and then assign a video. It will also grade.

The screenshot shows the Edpuzzle website interface. The top navigation bar includes 'Search', 'My Content', 'My Classes', 'Share', and a user profile for 'Matt Olson'. The main content area is titled 'My Classes' and shows a list of classes on the left: '6th Grade' (24 students), '6th Grade 2016' (32 students), '7th Grade' (28 students), '7th Grade 16-17' (Science, Other), and '7th Grade 2016' (0 students). The '7th Grade 16-17' class is selected, showing its 'Assignments' tab. The assignments list includes:

Assignment	Due	Completed	Actions
Geology Kitchen #1 - What is a Mineral? <small>Watch as a student Allow Slipping Delete</small>	Add		Progress Share
EYEWITNESS Volcano US Version feat. Martin Sheen S2E12 <small>Watch as a student Allow Slipping Delete</small>	Add		Progress Share

Below the assignments list, there is a section for 'Upcoming' and a message: 'No archived assignments'. A 'Help' button is visible in the bottom right corner of the interface.
